DA OLTRE 60 ANNI ESPERTI NEL SETTORE

Qualità, Flessibilità e Servizio sono le caratteristiche che distinguono G.M. GHIRRI MOTORIDUTTORI, un'azienda che attraverso il lavoro altamente qualificato del personale e i moderni sistemi di progettazione e produzione ha saputo guadagnarsi la fiducia dei propri clienti ampliando il proprio mercato a livello globale. Ad oggi, G.M. Ghirri Motoriduttori, oltre alla produzione di riduttori a catalogo, vanta una grande esperienza nella realizzazione di riduttori speciali di piccole e medie dimensioni, prodotti interamente in Italia.

EXPERTS IN THE SECTOR FOR OVER 60 YEARS

Quality, Flexibility and Service are the characteristics that distinguish G.M. GHIRRI MOTORIDUTTORI, a company that, through the highly qualified work of its staff and modern design and production systems, has been able to earn the trust of its customers by expanding its market globally. To date, G.M. GHIRRI MOTORIDUTTORI, in addition to the production of standard gearboxes, boasts great experience in the creation of small and medium sized special gearboxes, produced entirely in Italy.
